- Docket No. 2019-281-S - Application of Palmetto Utilities, Incorporated for Adjustment (Increase) of Rates and Charges, Terms and Conditions, for Sewer Service Provided to Customers in Its Richland and Kershaw County Service Areas

A Protestant is an individual objecting on the ground of private or public interest to the approval of an Application, Petition, Motion or other matters which the Commission may have under consideration. A Protestant may offer sworn testimony but cannot cross-examine witnesses offered by other parties.

According to the Commission's Rules of Practice and Procedure, filing a Protest does not make you a Party of Record. I am totally against this rate increase due to the previous increases in a short. In addition to other parts of the northeast areas are only paying \$80 per quarter. This is like taking advantage of consumers like all other companies and no one looking out for us. Everything goes up but our income.

Please take a long look at this proposed increase because no one benefits but Palmetto Utilities.

Thanks
